

Year 6 Summer Preparation - Art

INVESTIGATION TASK –

What is Art?

Type this into a Google search and see what comes up. Watch videos, read articles, make notes. Ask people what they think and note their answers down.

TIP - When watching videos or reading articles, make yourself a 'key words' list of any words that you don't understand. Afterwards, find the definitions and write them down. You can keep this in the back of your sketchbook at school.
